# **Daniel Ilin**

**♦** +1 (617) 697-7791 | ⊠ ilinedv@gmail.com | **♥** Boston, MA, 02118

#### **EDUCATION**

## Northeastern University, Boston, MA

BS in Mechanical Engineering Minor in Mathematics GPA: 3.5/4.0

#### LISEC GmbH, Seitenstetten, Austria

Jan. 2020 – Jun. 2020

Mechanical Engineer Co-op

**WORK EXPERIENCE** 

- Created 3D models of over 100 machines in PTC Creo for successful presentation in a commercial 3D machinery layout showcase.
- Brought AutoCAD drawings of machine parts up to date, ensuring their validity in accordance with the company standards.

### AMAG Pharmaceuticals, Waltham, MA

Jan. 2019 – Jun. 2019

QA Engineer Co-op

- Decreased product report preparation time from multiple hours to less than a minute by programming VBA macros for processing voluminous product data in MS Excel.
- Took part in the GMP audit, providing the necessary data to the auditors upon request.
- Reorganized and kept track of the archival storage space. Filed product complaints and SOPs.

#### **PROJECTS**

#### Passive Daytime Radiative Cooling in Shelters

- Implemented a pioneer PDRC cooling material in temporary shelters for refugees on prototype scale.
- Simulated airflow & radiative heat exchange within shelters in Ansys Fluent.
- Improved the method of manufacturing the PDRC material, resulting in samples 4 times larger than the original scale.

#### Combustion Engine Pressure Deformation Study

- Created the 3D geometry of the engine block of the combustion engine in SolidWorks.
- Established the factor of safety for the engine block experiencing gas expansion pressure using Ansys Workbench.

#### **SKILLS**

- Engineering: Ansys Workbench, SolidWorks, PTC Creo, MATLAB
- **Programming:** Swift, C++, SQL, Git
- Russian (Native), German (B1), English (Fluent)

#### **INTERESTS**

My other passion is music production. I produce and release music, privately teach music creation software and was a part of e-board of NUSound – Acoustical Society of Engineers. In my free time I enjoy outdoors sports and rock climbing.
